THE EMERGENCY SUPPORT REGULATION - ESR FPA

The Emergency Support Regulation (ESR) entered into force on 16 March 2016.

It allows the Commission to conclude new FPAs under the ESR to facilitate the award of Union financial support for the implementation of emergency support actions within the Union, or to rely on existing FPAs concluded under the HAR. Therefore, NGOs with which the Commission concludes an FPA under the HAR are automatically eligible to apply for funding under the ESR.

NGOs can apply for the signature of the ESR FPA with DG ECHO if they comply with the criteria established under the Emergency Support Regulation and the Financial Regulation and on the basis of its Rules of Application.

Please consult the full set of documents and criteria, including the applicable benchmarks here:
