## DG ECHO Flash #1

31st October 2018

### Save the date: 7th November 2018

A new offline Single Form has been released by DG ECHO!

On the 7th of November 2018, a webinar will be organised to present its new functionalities and technicalities.

The attendants will be able to interact with DG ECHO staff to ask specific questions and clarify doubts.

All interested partners can subscribe to the webinar from the new ELSE platform.

### ELSE Platform

ELSE (ECHO Learning Solution Environment) is the new learning platform from which you will have access to all DG ECHO's learning opportunities (classroom trainings, eLearning modules and webinars) related to the implementation of humanitarian operations.

It is an integrated Learning Management System (powered by docebo) that replaces the old system MANTRA.
