ECHOES Flash #13

20th December 2017

New e-learning course “Become a master of APPEL and the Single Form”

A new free e-learning course has been developed in order to better support DG ECHO Partners in dealing with the technicalities of the Single Form PDF format and APPEL.

This online course focuses on the online management of the Single Form and explores the different functions of the PDF application.

Key topics of the course are:

- APPEL and the PDF Single Form
- The PDF Single Form: main functionalities
- How to create a new RQ
- The logic of intervention and the financial overview
- Upload in APPEL and submission
- How to create and manage follow up documents
