ECHOES Flash #14

23rd January 2018

New e-learning course “How to deal with key financial aspects of DG ECHO-funded actions”

This course aims at supporting participants in dealing with the main financial elements of a DG ECHO funded action, in order to comply with the rules established by the FPA 2014.

The course is divided into five sections, containing lessons, additional materials to deepen some topics, practical exercises and interactions. These are the topics:

- Basic rules on ECHO funds management
- Action expenditures
- Financial information to be provided at proposal stage
- Monitoring and reporting on expenditures
- Expenditures supporting evidence
