

ECHOES Flash #8

9th September 2016

As you know, in June ECHO has launched in APPEL the new release of the Single Form! One of the novelties is the tab on transfer modalities: the Partners have to provide detailed information on cash, vouchers and in kind transfers.

The Partners' Helpdesk has already received some questions on how to fill in this tab, at proposal and Final Report stage. You might find these questions useful when preparing your proposal for 2017. Please check the new FAQs on transfer modalities here:
